

Two new Life Members Honoured.

Share

At the Club 2017 A.G.M on Monday 1st May two new Life Members were appointed.

They were:

Maureen Hewitt. A long time member who has been active in Club life for many years, with voluntary service in various roles in Ladies Bowls, including term as Bowls Director, as well as many hours in the kitchen catering for numerous Gala Days, Carnivals and other events. In her spare time she has been a regular worker behind the bar and is on the Social Committee, as well as a long serving contributor in various roles associated with running Bingo.

Maureen is a worthy recipient of this appointment.

Maureen with long term Life Member Mary Chalmers.

Maureen being presented with her Life Members Medallion by Life Member Mary Chalmers. Interested onlooker is Greg Morris.

Greg Morris. The other recipient of the Award was Greg Morris. Greg joined the Club in 2001 and soon after became the Honorary Treasurer, a position he still retains. That job would be enough for most people, but Greg has immersed himself in other voluntary pursuits, notably being the weekly Bingo games, which are a major source of funds for the Club. He has done most of the jobs associated with this activity. He is also a regular behind the bar, especially on busy Friday night Social events and other busy days.

Greg is also a worthy recipient of the Honour.

Greg being congratulated by long serving Life Member Colin Francis who presented the Medallion to Greg. Colin is also a Foundation Member of the Club.
