The 2017 Inter Zone Round Robin (IZRR) was held on Saturday 4th & Sunday 5th February. Teams of 20 players from the Northern, Eastern, Southern & South West Zones played off for the Annual Trophy.

Players enjoyed the good greens, although were tested by the stiff breezes. Some excellent bowls were played in front of an appreciative audience.

The Club provided great facilities & the volunteers in the kitchen, Match room & around the greens excelled. The kitchen provided lunches on both days as well as morning teas & after game snacks.

After the rounds were completed the South Western Zone were the victors with 4 aggregate points & 9.5 rink wins. In second place was the Eastern Zone with 4 points & 8.5 rink wins, so it was a close contest.
