Christmas in July

A great night was had by all at the July 1 2016 Christmas in July function at the Club. Numbers were around a very commendable 185 thanks to the efforts of Robyn and her crew of table preparers, office workers and even Pat helping carve the meat.

The music of 'Kombi' certainly belted out a tune and I don't think I have seen so many people jumping around on the dance floor for such an extended time. The usual 'going home' time was certainly thrown out of the window with tables of people calling for more when the band did close down. This band is booked for the Christmas show so you had better start planning now if you want a seat.

Paul, the caterer, produced his usual high quality three course meal with plenty to spare for seconds if required.
