The Ladies Triumph Again

Not since the days of 2004/2005 when Anne Carter held the trophy aloft has the Male dominance of Scroungers been so redirected as in 2015/2016 when Robyn White took all before her to claim the crown of King-Queen Scrounger. Much to the delight of her cheer squad, dominated by Ladies of course.

After eliminating two Male opponents in a three way (one bowl) playoff in the semi-finals to advance to the final, she then took on Rod Connor and Bob Plater, one of our division one pennant players, to take the crown.

This might not be a good time to bring back the Men verses Ladies competition of a few years back. Especially as the Ladies are current Bowlers of the Year for the MDBL.

CONGRATULATIONS ROBYN
