

## THE SAGA OF HALLS HEAD BOWLING CLUB

By Terry Gilchrist

You got a feeling that things are not quite right when a lady walked on the green, **Ben** tried to **Rayner** in, and **Bill** had to **Warner** that **Rod** was out to **Connor**, and that **Don** would **Carter** her away if she didn't buy them drinks. The Pint Club was already swilling them down, happily being serviced by a couple of local **Butlers**.

Just then **Les Saunders** into the clubrooms along with **Jarvo** and **Jammo** followed by **Gumbo** and a couple of **Johnno's**, I think **Peter Nimmo** was there to, they wanted a vote, but the **I's** had it and in walked **Gianatti** and **Guelfi** followed by **Con Funazzi**.

A game started when **Les** tossed a **Coyne** and **Kevin Lobb**'d the jack straight into the ditch, that was the best drive for the **Day**, and **Bob** yelled out that was a **Savage** one **Keith**, that could have finished up out the back of **Burke** replied **John**.

Meanwhile out in the carpark **Bill** pulled up in his **Morgan** and **Greg** was close behind in his **Morris** there was **Little** room for **Peter** but **Moore** for **Tony**, and **Ken** said he was **Wright** to park where he did, and with no bays left **Rudi** was a **Loser**. We need multi story parking **Towers**, cried **Simon** as he looked for somewhere to park his bike.

Back inside someone yelled out, did the **Colonel** bring the chicken, or was it **McDonalds**?

**Murray** was saying they were very **Crisp**, just as **Greg** called from the kitchen that **Bob** had **Plater**'d them up after dropping them in the sand.

That's **O'Kay** called **Kelly**, but where are the plastic knives and forks? You won't find them said **Ron** they've been missing for two **Summers** at least.

Don't use the **Steele** cutlery said **Graham**, **Nor wood** cried **Tom**, I've seen what **Hamburger Harry** uses then for.

With all this going on **Marius** was accused of being a **Burgler** as someone's drink was missing and just as **Larry** was going to **Reid** out the charges, **Michael** was caught **Bare** handed **Sticken** poor **Eddie** in the **Gardin** that **Andre** had just planted out and helped to the **Max** by **Neil the Potter**. In the corner **Graeme** was mixing some **Grout** for the wall when he heard a yell and looked up to see **Max Doncon** someone over the head with a bowling arm.

Stop the **Harris**-ment cried **Paul** you should be trying to **Foster** relationships like **Stewart** and look at **Jeff** he's been to **Allen** back. Just then **Ewen** popped up and said he has a few **Apps** on his phone that shows how to make a trophy out of **Brophy** which made **Wayne Hough** cough and **Ashley Kemble** tremble and **Alan Grieve** a little.

Someone mentioned another coffee shop was coming to the **Peel** area, **Norm** thought **Doug** might know if it was near **Myers**. That wouldn't be **Smart** said **John** there are too many now, but I hope it's not a **Starbucks**.
