Out & About

Thank You To Halls Head Bowling Club from Fire fighters Social Bowling Club helping with their fundraising

We received an email as one of the clubs who supported the PCH Burns tin donations this year run by WA Fire fighters Social Bowling Club

Yesterday the 'Firies' bowling club held their AGM at Morley BC, the meeting was very well attended and as usual ran smoothly. Following the meeting the club put on a sausage sizzle and free drinks, followed by a game of social bowls.

Prior to the game of bowls two nurses from Perth Children's Hospital burns section attended and were presented with a cheque for \$6500, bringing the total we have raised for this worthy cause to \$18000. This money is raised through fines for wrong bias, doing the wrong thing on the green and donations.

Many thanks to all the clubs who we have played against and have contributed.

The Hospital were presented with a list of all the clubs we have played at who allowed us to shake the tin for their recognition.

Get to know our staff

Hi everyone, you all know me as Kerri the bar manager, or the short person behind the bar for the past seven years. I came to Perth in 1979 for a holiday and here I am some 44 years later.

I was born into a circus family which was always very entertaining, or should I say there was never a dull moment. My childhood was travelling with the showground or attending boarding school in Sydney. My mother was a trapeze artist and tightrope walker with my uncles and aunts all working in the circus as lion tamers etc.

My first husband and I had a son together but separated some 25 years ago and, as most of you know I am now married to David Armstrong a bowling member of our club. David also has two sons, and we have a Maltese Shiatsu dog named Riley who keeps us entertained at home. I don't play much sport but did learn to play bowls at Dudley Park so that I could go to Norfolk Island to play in the mixed fours there.

After leaving school I commenced working in the hospitality industry and have worked in it for most of my life. I left my job as bar person at the Hurlingham Hotel to take up a position at the Victoria Park Bowling Club some 37 years ago. Since then, I have worked as bar manager at Floreat (now Cambridge), Doubleview, Bassendean, Dudley Park, Mosman Park and lastly Halls Head. After Doubleview David and I purchased the Beverly Hotel which we owned for 4 years. I have also worked briefly at Yokine, Melville and Mandurah Clubs pending a more permanent position.

During my 37 years working in Bowling clubs, I have made many friends and enjoyed the comradeship of its members. Since commencing at Halls Head I have watched it grow from 1 or 2 kegs a week to 12 plus during the bowling season, plus many more members to become the largest club in Peel. I look forward to being part of the Clubs continued success.
