Quiz Night

What a great night for the club last Tuesday. We had 20 tables and 153 people taking part in this fun evening quiz, there were moans, groans and cheers as the answers were revealed after each round with several tables in contention going into the last round. It finally came down to a tie break between two teams and even that was a close call but 1st and 2nd place were awarded. The five quiz rounds combined with spot prizes, Heads & Tails, table puzzles and the popular money wheel all added up to a great night out
