**Captains Report 30/8/23**

Hi everyone.

Another week of great weather and some great bowls played.

Any Gender Nominated Pairs still attracts good numbers.

Match Committee ruling regarding uneven numbers of teams saw the last team to register on the day missing out on a game.

This was introduced to get members to turn up early for games. This makes our job running the day so much easier.

It seems we have been successful in this regard as the last team to register last Monday was 12.45 and because of our ruling missed out on a game.

As from next Monday the following will apply –

In the event of uneven team number's the last team to register on the day will be unable to play HOWEVER should all teams register prior to 12.45 then the last team nominated on the sheet will forfeit their right to play.

I think this is probably a fairer way for all concerned whilst still encouraging members to turn up early.

# Scroungers Results

This week's results for scroungers Friday August 25.

61 players attended scroungers on Friday. The days winner was Graham Johnson. Runner up was Allan Shaddick and in third place was Les Wilkinson. Ray Lennon won the Consolation. The final was a great game with excellent heads on each end and all players contributing. At the start of the last end Graham Johnson and Allan Shaddick were both on equal points. Grahams first bowl on the last end was short and his second too long. Allan Shaddick had bowls in the count. Grahams last bowl won the day for him by being just a couple of centimetres from the jack and winning the end. A great bowl under pressure. The spectators were treated to a top game. It is worth staying back to see finals of this standard.

THE BIAS

Hi Members,

The AFL tipping competition is finished and results showing of prizemoney/winners from the 60 tipsters are on the tipping notice board. Congratulations to the 1st prize winner of \$600 Ian Butler and all the other winners. A lot of fun was had by all and certainly created a lot of interest during the year.

Tipsters – don't forget to lodge your entry forms (attached to your tipping card) for the grand final winner worth \$70. Prize money will be available from the office on Monday after grand final.

A special mention goes to my mate life member Jack Groves who placed his selections for the whole season in advance and still managed to jag the round prize of \$20 for round 15 by correctly 'picking' 9 winners.

Thank you to everyone who participated and special thanks to my Monday morning markers namely John Richards, Ian Foss, Allan Shaddick, Bill Bond, Gene Sputore, Lyndon Wallace and Ian Butler.

Mick O'Halloran – AFL Tipping Coordinator

PS My vision is to aim for 100 tipsters next year first prize of \$1000!!!

### Club Partner recommendation

Earlier this year I purchased 4 new tyres from **Tyrepower Mandurah**. On that day I was advised to bring my car in to check the pressure every 6 weeks, which I have done.

Recently I noticed my front left front tyre was deflated a little more than the others. I drove to the business to find the workshop shut.

It was late on a Saturday morning. The men were in the office and quickly opened the workshop. After checking the pressure they then decided to remove the tyre and check for a puncture.

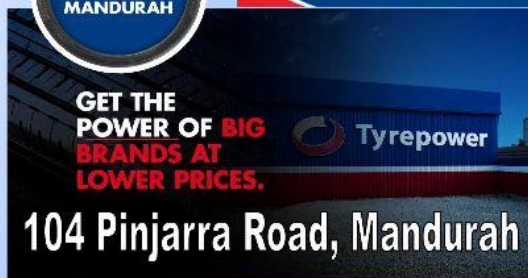

None to be found, but to ensure no further problems they replaced the valve. Very helpful pleasant young men.

As Tyrepower are a Club Sponsor I thought this story worth a mention.

Kind regards **Pauline Peirce**
