Ladies Captains Report

A very hot week both on and off the greens. All members please keep very hydrated and look after yourselves in these very warm conditions. The match committee have cancelled the Progressive Triples for today because of the heat. It has been rescheduled for Thursday 7th December. There is a new flyer up on the ladies board. Please re-write your name on this flyer if you are available to play. My apologies to the ladies that are playing and involved in the ILRR 4's in Busselton on this day, hence unavailable to play. Once again, the bowling diary is very busy and there is minimal wiggle room when rescheduling events.

Last Thursday the ladies competed in our annual Fun Day Triples. And, as the name implies, we all did have a Fun Day! This event is very generously sponsored by the Ladies Selection Committee. Thank you very much to Jeni Stretton, Cheryl Brown, Chris Starbuck, Vicki Bowden and June Lewer for your sponsorship. It was a day full of laughter and great companionship.

Winners: Jill Gumby, Pam Chester and Dawn Draper
Runner-ups: Julie Craven, Gill Matheson and Karen Morgan
Third: Glenda Grieve, Mary Johnson and Sandra Williams.

Next Thursday we have our annual Butterfly day. This day is sponsored by Lena Jolly and Pat Morgan and of course we compete to win "Butterflies" that are beautifully made by Lena. Thursday 7th December we have Progressive Triples (take 2!) and then we round off the first 1/2 of the season with our Christmas Match Day on the 14th December. All flyers are on the ladies board for these 3 events. Please write your names down on these flyers if you are available to play.

One of our lady members has generously donated \$\$\$\$ for the "Best Christmas Hat" at our Christmas Match Day. So this year, dress up in Christmas colours, but pay particular attention to your Christmas Hat as the judges will be giving out prizes after a (hopefully!) entertaining hat parade, for "Best Christmas Hats". (You are not expected to play bowls in your Christmas Hat)

Pennants this week produced a mixed bag of results. We won 3 out of our 6 games. Div 4 girls had a bye this week and will be keen to get back on the greens next week.

Scroungers Results

Results for November 17th

62 players attended scroungers for Friday November 17.

The days winner was **Max Doncon**.

Runner up **Merle Rodgers**

Third Place **David Lane**

Consolation winner **Jack Harnden**.

Max Doncon scored the maximum 6 points on the first end and went on to win the second end. It appeared he was going to have a runaway win until Merle Rodgers was sitting on a six at the fourth end. With his last bowl at the fourth, Max edged his way in to take a point off Merle by a centimetre or two. On the last end Merle had shot which gave her the lead for the game. Once again, with his last bowl of the game, Max edged his way in to take over the shot and lead to become the days winner. This was a top game which was very much appreciated by those watching on.

MONDAY PAIRS

1st

2nd

After a few recounts and a few disqualified cards these are the winners of Monday's Any Gender Open Pairs... we think we have them in the right order but aren't sure as it was all a bit up in the air... special mention has to go to Lorraine Heckingbottom who forgot to hand in our cards and as thus we were duly disqualified from our place in the winning circle :) so be vigilant people and make sure to put your full names on your cards and fill them in correctly and of course DON'T FORGET to hand them in on time!

We did have a couple of people drop out due to health as well as one going off to hospital in an ambulance so we hope they are all feeling better. Remember to seek shade and keep your fluids up if you are bowling in these hot conditions. All in all an eventful day on the greens in the heat for the 32 teams.

Inter- Primary School Carnival

Last Friday, 17th November we had five primary school groups with teams of four bowlers arrive at Halls Head for their annual inter-school bowling carnival.

Firstly, I'd like to thank all those volunteers without whom the day would have been impossible. Unfortunately, we didn't have as many volunteers as we would have liked. Despite that, the students had a great time and a winner was declared. I'd also like to thank our President, Wayne Langborne for authorizing a well deserved drink at the bar for all the helpers. And special thanks go to Patsy Smith, our intrepid scorer who sorted out the draw (more than once) and made sense of the scores that were coming in.

Peel Bowling, as usual, were very helpful by providing both volunteers and their bowls (and those of a lifestyle village too!)

It was a very busy morning but provided a fun taste of the game of lawn bowls to around 80 students, and their teachers and some parents. Thank you to Bob Plater for dealing with a late watering of the greens in preparation for scrungers in the afternoon.

Jacki Henry and I were very busy organizing bowls, colour coordinating them, the score cards and the helpers. But it was great to see three greens covered with students in school uniform, having fun and being very well behaved. There was even some exciting talent spotted on the morning.

History repeated. An Eight badge is very hard to come by, some people go their whole bowling life and not earn this coveted award but about four years ago William Morgan was again in the spotlight receiving an eight badge.
 Congratulations on a your double eight.

On Saturday one of those out of the ordinary events occurred when a side achieved an eight during Bankers. Congratulations to Bill Morgan, Rod Hooper, Terry Gilchrist and Ashley Kemble.
