

Ladies Captain Report

The Ladies MDBL Championships are all done and dusted. After 2 days of very good bowling,

at HHBC last Wednesday and Thursday all the champions were finalized. Dudley Park won the Singles and Pairs, and Yunderup won the Triples Our two Halls Head ladies in Jeni Stretton and Cheryl Brown were runner-up in the Pairs Grand final only being beaten by 1 shot. Great effort girls and well done.

A big thank-you to Merle Rodgers and her team of kitchen helpers that were at the club from sunrise to sunset making sure urns were hot, the bottomless tea and coffee was bottomless, tables set up and cleaned away and plenty of scones and afternoon tea available to eat. Also big thanks to Carol Funazzi and her team on the Wednesday and Chris Barker and her team of ladies on the Thursday that made the best sandwiches in the whole wide world. Our Volunteers are priceless.

Also the green keepers, bar staff and ladies match committee that all helped present Halls Head as the best club in the league.

Congratulations to our Men's Div 2:1 side that managed to win a pennant on Sunday afternoon. Unfortunately Div 2:2 were the losers, but the runner-up as well. Well done to bot teams and to the other four Sat Men's Pennant team that got to the finals but not to the grand finals.

Ladies Country Week is under way commencing with the Metro V Country game held out at Bassendean last Sunday. It was a close encounter with Metro finally running out winners by 9 shots on the aggregate, 233 - 224. Metro won 5 rinks, Country won 5 rinks and two rinks drew. A great atmosphere and an enjoyable experience.

Three teams competed in the Country Week 4's over Monday and Tuesday. Unfortunately none of the teams progressed to the knockout rounds although team Sewell and team Smith (only missing out by 7 shots) were placed 2nd in their sections and team Steele had a very tough draw. Reports of some excellent bowls, great comradeship and lots of fun experienced, especially from the girls playing in their first county week.

Eight teams of pairs played in the pairs on Wednesday. Two teams, Pat Adlam and Debbie Drage, and Sue Edwards and Jill Gumby won their sections but unfortunately lost the next knock out round. Well done! Thursday is the start of the singles sectional play. Good luck the lady bowlers that are going to give it a go.

Don't forget the Mandi McGrath Split 4's Day on Tuesday 26th March which is very generously sponsored. Please support this day and put your name down on the flyer before 8am Monday 25th March.

Happy Days

MONDAY PAIRS

Monday winners

Monday Pairs on 18th March saw 36 pairs out on the greens, numbers a bit down but this was due to the Ladies Country week in which several of our Halls Head Ladies are involved (good luck ladies). We had a couple of guys over from the UK (they play crown green bowls) and someone visiting from the Gold Coast who came in third spot playing with Pete Nimmo. We hope they all had a good game of bowls and enjoyed our friendly club.

Congratulations to all our winners.

Mens Pennant Finals

The culmination of another Men's Saturday Pennants comes to a close with Halls Head having 6 of 7 teams playing off in the finals.

The first division sides had a derby in 3rd and 4th, place resulting in 1.2 progressing into the Preliminary finals, but going down to Mandurah.

In Second division 2.1 and 2.2 finished in the top 4. 2.1 beat Dudley Park to progress directly to the grand final and 2.2 had a great run to beat Comet Bay then Dudley Park to play in the grand final. This resulted in a Grand Final Derby with 2.1 coming out on top and taking out the pennant.

Third division, like first division saw an elimination final with Halls Head 3.1 winning the derby play off. In the Elimination final Halls Head went down to Waroona.

Congratulations to all the teams.

Around the Greens

Two Halls Head players were fortunate to be winners of a pennant badge for both Tuesday and Saturday Pennants this season. Andre Gardin and Alan Grieve were both in the second division teams that were successful this year. Quite an achievement!
