

### Ladies Captain Report

We have a Veteran Champion of Champions from the MDBL amongst us. A huge Congratulations to Chris Barker for playing 2 hard fought days of bowls, last Wednesday and Thursday, to bowl herself to victory in the grandfinal. Coming from behind, Chris hit the front with a 4, and then kept her nose in front with some classy bowling, to take out the title. Chris will now represent the MDBL at Eaton on Tuesday 2nd April in the Zone Championships. Good luck Chris.

Well done to our 4's team, Linda, Julie, Glenda and Debbie, they were runner-ups in their section. (just missed out on playing off in the grandfinal by 1 shot!!) and our Novice, Linda, who battled bravely (has only been playing for 6 months) against more experienced bowlers.

This Wednesday and Thursday we have the Singles, Pair and Triples MDBL Championships being played at Halls Head. Good luck to our 6 lady representatives and fingers crossed, we have some more winners competing in the Zone titles with Chris.

At the end of Wednesdays competition, Jenni and Cheryl have won one game and lost won game. Sandy, Coral and Julie have won one and lost won. Kaye has lost her two games by very narrow margins. Good luck today girls in your last 2 games.

Thanks to all the markers, board turners, umpires and kitchen helpers that have volunteered over the last two weeks to make these Ladies MDBL Championships a huge success.

Congratulations to Linda Young for being in the winning IZRR 4's team that competed in Kulin over last weekend. The team won all 3 of their matches, quite comprehensively, and bought back the trophy to the South West. Well done Linda and the rest of the SW team.

## Peter Jamieson's reign over Community Bowls comes to an end!

Yes folks you read it correctly, Jamo has decided his days of causing havoc at Wednesday nights Community Bowls have come to an end.

I know this will devastate the 200 odd Community Bowlers as Jamo has done a wonderful job over many years.

His outgoing personality, cheeky demeanor and sharp wit was ideal for this format of bowls and with Anita Guelfi assisting with microphone duties, Noelene Krikke in the match office, Steve & Pam in the kitchen, Mike on Onions and Dick and Andre on snags, along with the numerous bar helpers ever ready to provide liquid refreshments, he lead a well oiled machine that set the bar for Community Bowls and was the envy of all other clubs.

Although stepping back from Wednesday nights Jamo will be ever present at pennant and social days and we look forward to his "reading of the pennant" cards which is hysterical and at times cruel & ruthless.....we love it Jamo especially when you get stuck into the selectors.

I understand that his role will be taken over by Jacki Henry and Bill Whalley when they return from their travels so this very profitable program is in safe hands.

Thanks Jamo, it's a sad day for all the Wednesday night teams, in particular the Noisy Scrub Birds who I know you had a special soft spot for and on behalf of all club members I'd like to thank you for all that you have done, cheers mate
